# Honors Tree/Adopt a Tree Program

The **Honors Tree Program** is an initiative of the Paxtang Borough Shade Tree Commission. Its purpose is to honor loved ones, significant events in a life or family, or express community pride with a living gift that provides lasting beauty to the community.

The cost of an Honors Tree is \$250. This includes purchase of the tree, planting materials and a plaque permanently placed in ground beneath the tree. A certificate with the name of the purchaser, the information on the plaque and the location of the tree will be issued. The same information will be recorded in an Honors Tree Book, located in the Borough Office.

The **Adopt a Tree Program** allows adoption of a tree already growing in Paxtang's urban forest. The cost to adopt a tree is \$150 and includes certificate and commemorative plaque.
